Your home insurance

Policy number: 123456 / Version 1

ALLSTORM HOME PROTECT - POLICY SCHEDULE - 123456

Named policyholder: Jules. Household: 3 people.

Declared owner-occupied main residence: 12 rue des Oliviers, 13800 Istres.

Allstorm Home Protect, 2026 edition. Policy period: 1 January to 31 December 2026.

The general terms and benefit limits apply. Individual requests are subject to the policy conditions and assessment.

Evaluation copy: fictional insurer and policyholder; no binding insurance contract.

This PDF reproduces the schedule and clauses currently linked to this policy in the claim database. Read the schedule and general terms together. The following pages retain their clause references. A requested benefit is subject to assessment and supporting evidence.

HP-ACCOMMODATION / Emergency accommodation

Up to seven nights at EUR 150 per household per night, at most EUR 1,050. Confirm household size, unusability of the main residence, dates and current accommodation need. Extensions require separate review.

HP-ESSENTIAL_ITEMS / Essential items

Up to EUR 250 per household for identified essential expenditure. Confirm need and itemised costs.

HP-ELECTRICAL_SAFETY / Electrical inspection and safety

Up to EUR 500 for assessed electrical inspection and immediate safety work by a qualified professional. Physical work requires permitted access.

HP-CLEANING_DRYING / Cleaning and drying

Up to EUR 3,000 for assessed cleaning and drying. Confirm damage, access, work scope and resource availability.

HP-MOVING_STORAGE / Moving and temporary storage

Up to EUR 1,000 to protect recoverable belongings. Do not count the same belongings as both a total loss and intact stored property.

HP-CONTENTS / Damaged contents

Up to EUR 30,000 for assessed eligible contents damage. Require an inventory, ownership or value evidence and assessment. No automatic new-for-old settlement.

HP-BUILDING / Insured building repairs

Up to EUR 200,000 for assessed eligible damage to the declared owner-occupied main residence. Verify cause and repair scope.

HP-SCOPE / Scope, exclusions and deductible

Scope and exclusions. This policy excludes personal injury, vehicles, commercial interruption, undeclared property and unrelated or pre-existing damage. Uncertain causation or ground instability requires human review. A single EUR 300 excess applies to combined eligible contents and building damage per household and event, after limits and eligibility assessment. No excess applies to the five assistance benefits. The contractual flood route does not require a CatNat order; CatNat recognition remains unverified and must not be inferred. An assistance request does not confirm a booking. Cover and reimbursement remain subject to review of the declared facts and supporting evidence.
